### Price Increase Information

As in previous years, Ameristar has continued to source aluminum extrusions domestically.

During most of 2025 Import tariffs have continued to significantly increase the Midwest Premium price. Despite continued mitigation efforts, these increases now require a pricing adjustment.

Prices for the product lines listed below will increase **effective 8:00 a.m. CDT January 2, 2026**.

**Product Line Increase:**

- |                |    |
|----------------|----|
| ○ Echelon Plus | 9% |
| ○ Echelon II   | 9% |

- Ameristar will honor pricing on all existing orders received and accepted prior to **January 2, 2026 at 8:00 a.m. CDT**.
- All outstanding quotes will expire on **January 2, 2026 at 8:00 a.m. CDT**.

Thank you for your continued business during 2026.
