

GRIDLOCK® | LIMITED WARRANTY

RAPID DEPLOY FENCE BARRIER

Revised 08/2022

The GridLock® Rapid Deploy Fence Barrier by Ameristar® is manufactured from the highest quality materials by skilled craftsmen to meet the highest standards of workmanship in the industry. Galvanized steel post & panels shall be subjected to a six stage pretreatment/wash (*with zinc phosphate*) followed by an electrostatic spray application of the PermaCoat® Color System, a two coat powder system. The base coat is a thermosetting epoxy powder coating (*gray in color*). The top coat is a “no-mar” TGIC polyester powder coat finish, which provides the protection necessary to withstand adverse environmental conditions.

Temporary Installations

The powder coated surface on all posts and panels by Ameristar is guaranteed under normal and proper usage, against cracking, peeling, chipping, blistering or corroding for a period of three (3) years from the original purchase date for short-term installations of the GridLock Rapid Deploy Fence Barrier. Normal and proper usage does not include physical damage, abrasion or exposure to salty environments to the protective coating. Short-term application refers to installation with the expectation of the fence barrier being removed for deployment on multiple sites.

Permanent Installations

The powder coated surface on all posts and panels by Ameristar is guaranteed under normal and proper usage, against cracking, peeling, chipping, blistering or corroding for a period of ten (10) years from the original purchase date for permanent installations of the GridLock Rapid Deploy Fence Barrier. Normal and proper usage does not include physical damage, abrasion or exposure to salty environments to the protective coating.

GridLock Rapid-Deploy Barrier Fence System framework is also guaranteed for the same period of time against defects in workmanship or materials.

Should any GridLock Rapid-Deploy Barrier Fence panels and posts manufactured by Ameristar Fence Products fail in accordance with any of the above conditions, Ameristar Fence Products warrants to the original purchaser their redemption through replacement, renewal or issuance of a pro-rated credit. The decision as to which method of redemption is allowed is solely at the discretion of Ameristar.

If pro-rated allowance is the chosen alternative, the amount will be based on the total number of years under warranty from date of purchase to date of claim, based on the original cost of framing materials found to be defective. Notice of failure under the conditions of this warranty shall be sent to Ameristar Perimeter Security or its authorized representative, in writing, together with proof of purchase and shall specify the nature of the defect and when it was first observed. If cutting panels or posts immediately seal the exposed surfaces by 1) Removing all metal shavings from cut area 2) Apply zinc-rich primer to thoroughly cover cut edge and drilled hole; let dry 3) Apply two 2 coats of custom finish spray paint matching fence color.

Failure to seal exposed surfaces per steps 1-3 above will negate warranty. If contractor uses non Ameristar parts/components this will negate the warranty. Should the fence be improperly installed, Ameristar Perimeter Security shall not be responsible for guaranteed performance or appearance of the material. Neither does this guarantee apply when failure or damage is due to improper use or application, abuse or misuse, salty environments, vandalism or acts of God. Ameristar Perimeter Security reserves the right to inspect the material to determine validity of the claim.

Upon validation of the claim by Ameristar Perimeter Security or its authorized representative, redemption by replacement, renewal or issuance of a pro-rated credit shall be made by Ameristar. Reimbursement for the costs of removal and installation of materials are not included in the guarantee, nor will Ameristar Perimeter Security provide those services.

The above constitutes the complete warranty by the manufacturer. No other agreement, written or implied, is valid. Ameristar Perimeter Security does not authorize any other person or agent to make any other express warranties. Ameristar Perimeter Security neither assumes nor authorizes any other person or agent to assume any other liability in connection with the GridLock Rapid Deploy Fence Barrier. Some jurisdictions do not allow limitations on how long an implied warranty lasts, nor do they allow an exclusion or limitation of incidental or consequential damages; therefore, the limitations and exclusions noted herein may not apply.
