Ameristar Perimeter Security hereby certifies that its gates are free from defects in material or workmanship and all gate components and hardware are guaranteed against such defects for a one (1) year period from the original date of purchase. (Note: Accidental damages, defects resulting from improper installation techniques, and damage from abuse or vandalism are not included herein).

Additionally, the coated surface on Ameristar Swing Gates, including all gate components and hardware, is guaranteed under normal and proper usage, against cracking, peeling, chipping, blistering or corroding for a period of one (1) year from the original purchase date. Normal and proper usage does not include physical damage, abrasion or exposure to salty environments to the protective coating.

Should any Swing Gate or gate component manufactured by Ameristar fail in accordance with any of the above conditions, Ameristar warrants to the original purchaser their redemption through replacement or renewal. The decision as to which method of redemption is allowed is solely at the discretion of Ameristar. Notice of failure under the conditions of this warranty shall be sent to Ameristar or its authorized representative, in writing, together with proof of purchase and shall specify the nature of the defect and when it was first observed. Should the gate be improperly assembled or installed, Ameristar shall not be responsible for guaranteed performance or appearance of the material. Ameristar reserves the right to inspect the material to determine validity of the claim.

Upon validation of the claim by Ameristar or its authorized representative, redemption by replacement or renewal shall be made by Ameristar. Reimbursement for the costs of removal and installation of materials are not included in the guarantee, nor will Ameristar provide those services.
