

# CITYSCAPE GATE™

## ANTI-RAM BARRIER GATE

Cityscape Gate is the perfect solution for *urban environments with a heavy amount of pedestrian traffic* and an *irregular need to allow vehicular access*. Unlike most gates or barriers that have a bland industrial appearance, the Cityscape Gate has an *appealing design that blends well into any urban area*.

**PAS 68**

SECURITY ADVANTAGES

- ▶ *Capable of spanning distances up to 19.5'*
- ▶ *Manually operated & locked in place with a hydraulic pin*
- ▶ *Shallow mount technology to avoid underground utilities*
